

## Magnetic NMO Mount with 10 Ft. LMR195 Equivalent Cable & SMA-Male Connector

Fairview Microwave's FMMA1-SMA10 is an NMO-type mobile antenna magnetic mount, which is ideal when the portability of the antenna is required. This NMO antenna mount is constructed with a heavy-duty magnet to ensure secure mounting. No drilling is required for installation of this antenna mount, making it easy to fine-tune the antenna location. The magnetic base is easy to install and offers a temporary plug and play installation.

The FMMA1-SMA10 mobile antenna mount from Fairview Microwave features a high-performance 10-foot black low-loss 195-series cable. This magnetic mount comes with a SMA male connector and can be used for WLAN, Wi-Fi, public safety, and mobile RF applications. Our NMO mount has a length of 1.2 inch and a diameter of 3 inch. This magnetic mount with a rubber gasket is suitable for service vehicles, public transportation, law enforcement, fleet management, and mining and construction vehicles.

Fairview Microwave has the largest in-stock selection of NMO-type mobile antenna magnetic mount with the same-day shipment. Make your online purchase right now to take advantage of our same-day shipping. For further information on similar products, our expert technical support and knowledgeable sales team can help you get the ideal antenna mount with a SMA male connector for your requirements.
