Handle Diameter	0.688 in [17.48 mm]
Weight	0.372 lbs [168.74 g]
Handle Color	Red

Compliance Certifications (see [product page](#) for current document)

Notes:

- Do not use on damaged connectors.
- To improve performance of a wrench that hasn't been used recently, actuate the wrench by clicking the wrench head back and forth several times before use. This will spread the lubricant through the internal mechanism.
- Click type tools require smooth consistent application of force. Each torquing action should be completed within 2 seconds. Slower or faster torquing action will detract from accuracy.

1.0mm Fixed Torque Wrench in Click Type 6mm Bit that is Pre-set to 4 in-lbs from Fairview Microwave is in-stock and available to ship same-day.
